5459). The hearing was held in Washington, DC, on April 10, 2018, and all persons who requested the opportunity were permitted to appear in person or by counsel. To date, Commerce has issued final affirmative determinations with respect to the subject stainless steel flanges from China.^{2 3} The Commission subsequently issued its final affirmative determination regarding subsidized imports from China on May 29, 2018 (83 FR 25714, June 4, 2018). The Commission currently is issuing a supplemental schedule for its antidumping duty investigation on imports of stainless steel flanges from China.

This supplemental schedule is as follows: the deadline for filing supplemental party comments on Commerce's final antidumping duty determination regarding China is June 25, 2018. Supplemental party comments may address only Commerce's final antidumping duty determination regarding imports of certain stainless steel flanges from China. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in this antidumping duty investigation will be placed in the nonpublic record and a public version will be issued thereafter.

For further information concerning these investigations, see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

AUTHORITY: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.
